

Clime Capital Limited offers investors the opportunity to invest in a value focused LIC managed by a recognised top performing Australian Value Equity Manager - Clime Asset Management.

Clime has a disciplined investment approach focused on the distinction between price and value. The allocation of capital is tempered by the Clime's continual macroeconomic overlay.

The company has the ability to hold elevated cash levels when market risks are considered to be elevated or value is not apparent. Clime also has the ability to look across listed asset classes to seek returns.

Returns to shareholders are produced by purchasing securities that are understandable, that have honest and capable managers and are highly likely to generate superior returns over time. Securities will only be purchased when the price on offer is below the appraised value.
