JUNE QUARTER DIVIDEND DECLARATION – 1.05 cents fully franked

The Clime Capital Limited (CAM) Board today is pleased to announce that it has declared a June Quarter dividend of 1.05 cents per share fully franked.

Shareholders would be aware that many ASX listed companies have cut, withdrawn or delayed the declaration of their dividends.

This has impacted CAM's ability to pass on dividends to our shareholders.

Each quarter the CAM Board will continue to review the impact of market and economic events on the capacity of ASX listed companies to pay dividends and the receipt of same by CAM.

CAM retains significant profit reserves allowing it to declare dividends in the future.
